561.1 CELEBRATING HOLY DAYS & MAJOR EVENTS

Reviewed December 2001

Introduction:

The way in which the school community marks such occasions models for students the Christian manner of sanctifying and celebrating important events. It is for this reason that a holiday is not granted.

Guidelines:

Holy days and special feast days which occur whilst school is in session are celebrated by the school community with significant liturgy or prayer.

The Archdiocesan document *A Planning Guide for Celebrating Major Events in Catholic Schools* should be consulted. It is available from Brisbane Catholic Education or The Liturgical Commission at the Catholic Centre, 143 Edward Street, Brisbane.
