Fertile Question: Why do I need a story to live by?

Core Content Area 1: My Story

TOPIC 1.1: The sacredness of story

Extending Knowledge: The story of stories

In this lesson students will explore the Brisbane Catholic Education ResourceLink Blog about changing modes of storytelling.

For students to analyse the ResourceLink Blog about technology and storytelling, complete the following activities:

1. Critically analyse the ResourceLink Blog entry about storytelling and technology.
   a. Access the storytelling blog on the ResourceLink page.
      i. Read the blog Technology and Storytelling: an evolving partnership, interacting with the technology embedded in the blog.
      ii. Create a comment on the blog entry stating your opinion about the place of technology in contemporary and future storytelling, particularly for the telling of sacred stories.

Teachers: Before You Start!

1. Read the Teacher Background about storytelling.
2. Familiarise yourself with the ResourceLink Blog about technology and storytelling.
